

HFJNS Primary School Survey 2026 Guidance Document

How to understand the survey results

In simple terms:

The percentages in green and gold show what the parents/guardians who took part in the survey prefer.

The red line shows the margin of error. This gives a range around the survey result, showing how much the result might be higher or lower if **all** parents/guardians of children in our school had responded.

For example:

- if the whole red line is **above 50%**, this means it is likely that more than half of all parents/guardians prefer that option, even allowing for the margin of error.

What happens next

The Board of Management will now review the survey results and think about what they mean for our school.

As part of this, we want to make sure that parents/guardians, staff, students, and the wider school community can share their views with us. Once we have gathered all feedback, we will consider it carefully and then let you know about any decisions we make and next steps.

For example, if there is a clear preference for a change, the school may submit an 'expression of interest form' for change to the department. If this happens, the department will provide us with a dedicated contact person and other supports, to help our school in this process.

Next Steps

Please read the survey results for our school and guidance document.

You can send any comments or feedback to us at admin@holyfamilyjns.ie by **30 September 2026**.
